

Write a program to print the name

```
class first
{
public static void main(String[] args)
{
System.out.print("Hello");
}
}
```

The screenshot shows a Windows command prompt window with the title bar "C:\WINDOWS\system32\cmd.exe". The prompt is at "Y:\java>". The user enters "javac first.java" and the prompt returns. Then the user enters "java first" and the output "Hello" is displayed. Finally, the user enters a blank line and the prompt returns to "Y:\java>".

```
C:\WINDOWS\system32\cmd.exe
Y:\java>javac first.java
Y:\java>java first
Hello
Y:\java>
```
